

Physical Education – Early Years Foundation Stage and The National Curriculum

By the end of each Key Stage, children are expected to:

EYFS	KS1	KS2
<p>Early Learning Goals:</p> <p><i>Personal, Social and Emotional Development ELG:</i></p> <ul style="list-style-type: none"> -Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly -Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions. -Be confident to try new activities and show independence, resilience and perseverance in the face of challenge -Explain the reasons for rules, know right from wrong and try to behave accordingly -Work and play co-operatively and take turns with others -Show sensitivity to their own and to others' needs <p><i>Physical Development ELG:</i></p> <ul style="list-style-type: none"> - Negotiate space and obstacles safely, with consideration for themselves and others -Demonstrate strength, balance and coordination when playing -Move energetically, such as running, jumping, dancing, hopping, skipping and climbing 	<p>Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co- operative physical activities, in a range of increasingly challenging situations.</p> <p><i>Pupils should be taught to:</i></p> <ul style="list-style-type: none"> • master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities • participate in team games, developing simple tactics for attacking and defending • perform dances using simple movement patterns 	<p>Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.</p> <p><i>Pupils should be taught to:</i></p> <ul style="list-style-type: none"> • use running, jumping, throwing and catching in isolation and in combination • play competitive games, modified where appropriate[for example, badminton, basketball, cricket, football, hockey, netball, rounder's and tennis], and apply basic principles suitable for attacking and defending • develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics] • perform dances using a range of movement patterns • take part in outdoor and adventurous activity challenges both individually and within a team • compare their performances with previous ones and demonstrate improvement to achieve their personal best

Year 6	Overview	Key Skills	
Dance Year 6	<p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils will focus on developing an idea or theme into dance choreography. They will work in pairs and groups using different choreographing tools to create dances e.g. formations, timing, dynamics. Pupils will have opportunities to choreograph, perform and provide feedback on dance. Pupils think about how to use movement to convey ideas, emotions, feelings and characters. Pupils will show an awareness of keeping others safe and will have the opportunity to lead others through short warm ups.</p> <p>This unit links to the following strand of the NC: perform dances using a range of movement patterns.</p>	Physical	Actions, dynamics, space, relationships
		Social	Share ideas, collaboration, support, communication, inclusion, respect, leadership
		Emotional	Confidence, self-regulation, perseverance, determination, integrity, empathy
		Thinking	Creativity, observation, provide feedback, comprehension, use feedback to improve, select and apply skills
Handball Year 6	<p>Handball is an invasion game. In this unit pupils develop their understanding of the attacking and defending principles of invasion games. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In handball pupils do this by maintaining possession and moving the ball towards goal to score. Pupils develop their understanding of the importance of fair play and honesty while self-managing games and learning and abiding by key rules, as well as evaluating their own and others' performances.</p> <p>This unit links to the following strands of the NC: use running, jumping, throwing and catching in isolation and in combination. Play competitive games, modified where appropriate and apply basic principles suitable for attacking and defending.</p>	Physical	Throw, catch, run, dribble, shoot, change direction, change speed
		Social	Communication, kindness, respect, collaboration
		Emotional	Confidence, honesty and fair play, determination, perseverance
		Thinking	Select and apply, decision making, problem solving, comprehension, reflection
