Year 4	Overview	Key Skills	
Dance Year 4	<p>Each dance unit covers four different themes, with three lessons of planning for each theme. If you want to teach just 6 lessons of dance you can choose two of the four themes. Learning is progressively embedded complete within each theme so your pupils won't miss out on learning and the lessons will still flow.</p> <p>Pupils focus on creating characters and narrative through movement and gesture. They gain inspiration from a range of stimuli, working individually, in pairs and small groups. In dance as a whole, pupils think about how to use movement to explore and communicate ideas and issues, and their own feelings and thoughts. Pupils will develop confidence in performing and will be given the opportunity to provide feedback and utilise feedback to improve their own work.</p> <p>This unit links to the following strand of the NC: perform dances using a range of movement patterns.</p>	Physical	Actions, dynamics, space, relationships
		Social	Co-operation, communication, inclusion, collaboration
		Emotional	Confidence, empathy, determination
		Thinking	Observe and provide feedback, select and apply skills, creativity, comprehension
Football Year 4	<p>Football is an invasion game. In this unit pupils develop their understanding of the attacking and defending principles of invasion games. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In football pupils do this by maintaining possession and moving the ball towards goal to score. Pupils develop their understanding of the importance of fair play and honesty while self-managing games and learning and abiding by key rules, as well as evaluating their own and others' performances.</p> <p>This unit links to the following strands of the NC: use running, jumping, throwing and catching in isolation and in combination. Play competitive games, modified where appropriate and apply basic principles suitable for attacking and defending.</p>	Physical	Dribble, pass, receive, track
		Social	Co-operation, respect, communication
		Emotional	Determination, honesty, persevere, independence
		Thinking	Decision making, comprehension, select and apply, use tactics
